From

Md. Zahiruddin Mecci, Esquire, B.A.,

President, District Board,

Kolar District.

D. 23

L.

To

B. Ramaswamaiya, Esquire, B.A., B.L.,

Secretary to the Government of His Highness
The Maharaja of Mysore,

Revenue Department,

Bangalore.

Sir,

Adverting to Government Order No. 8437-8L.B. 28-15-4 dated the 17th May 1916, sanctioning an estimate for Rs. 3140/- for the construction of a Musafarkhana at Dodkurgod (Viduraswatha) in Goribidnur Taluk, I have the honour to state that the building in question is reported to be almost complete, with the exception of a few minor items of works, (such as chunam plastering, chocolate painting, white-washing and gate, which are still remaining to be done to the said building

The work so far done with a progress to the extent of Rs. 2600/- has been paid keeping a small reserve of Rs. 21/-

It has been reported that the progress of work was retarded on account of prevalence of Plague and Cholera in Viduraswatha and in Dodikurgod in the interval and also on account of some domestic inconvenience caused to the contractor by the death of his father.

The contractor has also been repeatedly complaining of the ~~very~~ low rates sanctioned under certain items of work, which subsequent to the sanction of the estimate have abnormally risen owing to high prevailing prices of materials and costly labour as the result of War and unfavourable seasonal conditions and has been urging

.2.

for the grant of higher rates.

The Local Officers, i.e. Sub-Division Officers and Amildars, have supported the contractors ^{proper} and recommended for the grant of enhanced rates.

The question of granting higher increased rates for the work in question was referred to the Executive Engineer, Kolar Division and he is of opinion that increased rates under the following items of work may be granted. His letter is enclosed in the records.

Details of items of work.	Per.	Sanctioned Rate.	Proposed rate.
Burnt brick in Chunam. Cft.		0-3-0	0-3-6.
Burnt stone slabs dressed Sq.ft.		0-3-0	0-4-0.
Honne Wood battened doors."		1-2-0	1-8-0.
-do- windows."		1-2-0	1-12-0.
" work. Cft.		3-0-0	4-0-0.
Roofing with 1st class Mangalore tiles. Sqr.		24-0-0	35-0-0.
Mangalore ridge tiles. Rft.		0-4-0	0-6-0.
Chocolate painting. Sqr.		3-0-0.	3-8-0.
Wood oiling.	"		2-0-0.
Tarring.	"		1-8-0.

Adopting these rates and with small deviations under certain items of works as explained in the comparative statement attached, a revised estimate for Rs.4130/- has been prepared and submitted herewith. which is Rs.990/- in excess of the original sanctioned estimate.

The increased rates now provided for are very reasonable under the present conditions and I request you will be so good as to obtain sanction of Government to the revised estimate amounting to Rs.4,130/- the cost being met out of the provision under B. Public Works, in the next year's Budget Estimates of the Taluk Board.
